UACT'S FANTASY FOOTBALL LEAGUE

UACT Fantasy Football is about to begin. Contact Courtney Stockton at socoolio@hotmail.com for more information.

Hello UACT and Welcome to the new school year!

Welcome to another year here in the Conejo! There are a few things we have planned for the year, but for now I want to let you know about our Disability Chapter Campaign. Certificated public school employees do NOT get state disability, so if you get hurt or sick and cannot work, you are out of luck. So, in conjunction with The Standard, we are trying to get 5% of our members to sign up for Disability Insurance. If we get enough people to sign up, they can get this important coverage without having to answer any health questions. This means that even if you already have a qualifying reason to get disability, like being pregnant, for example, you can still get & use the insurance. The Standard is a CTA endorsed company so you know they will take care of business. They even have an option that lets you skip payments during the summer! So visit our website conejoteachers.com for details.
